

MARKSMANSHIP TRAINING CENTER

PISTOL DEVELOPMENT

Date: May14

Duration: 0800-1700, 9 hours

Prerequisites: Current law enforcement officer.

Location: MTC

Cost: \$150

Pistol Development (LEP1) is a 1 day course for all levels of handgun shooters. LEP1 focuses heavily on the fundamentals of marksmanship and problem solving, to achieve consistently accurate shot placement and to keep the gun operating.

Students will receive instruction and practical application of: weapon safety, fundamentals of pistol marksmanship, reloading, malfunction clearance and proper use of cover.

Class will culminate with the MTC Handgun Standard. 122/175 required to pass.
